WHAT GOES INTO A SUCCESSFUL MODEL

A sparse binary matrix visualization. It consists of a 3x3 grid of characters. The top row contains a black square, a teal '0', and a teal '1'. The middle row contains a teal '1', a space, and a teal '0'. The bottom row contains a space, a teal '0', and a teal '0'.

0 1

0 0

Недостаточное
количество
данных

A binary matrix visualization showing non-representative data. It is a 3x3 grid where every row is identical, consisting of the sequence '1 0 1 0' in teal.

1 0 1 0
1 0 1 0
1 0 1 0

Нерепрезентативные
данные

A binary matrix visualization showing data of low quality. It is a 3x3 grid where every row is identical, consisting of the sequence '1 0 1 0' in teal.

1 0 1 0
1 0 1 0
1 0 1 0
